

2025-2026 Fixed Four-Year Tuition Plan

Transfer Students

The Fixed Four-Year Tuition option is offered as a budgeting tool to help students and parents accurately prepare their educational budget by establishing the same tuition rate for four years and eliminating uncertainty about future tuition increases.

Student Eligibility

To be eligible for the 2025-2026 Transfer Student Fixed Four-Year Tuition Plan, the student must opt in by the published deadline and satisfy the following conditions:

1. Enroll at the University of Houston for the first time during the Summer 2025 or Fall 2025 semester as a transfer student with 30 or more semester credit hours.
2. Be admitted to an eligible major or as an undeclared student at the time of enrollment for the Fall 2025 semester. Enrollment in non-degree, non-academic professional and public programs or other off-campus programs does not qualify.
3. Enroll in at least 15 semester credit hours in the Fall 2025 semester. Developmental courses are not counted towards the 15 credit requirement.

To remain eligible for the 2025-2026 Transfer Student Fixed Four-Year Tuition Plan, the student must satisfy the following conditions:

1. Successfully declare an eligible major by the first day of the Fall 2026 semester if initially admitted to the University of Houston as an undeclared student.
2. Successfully complete a minimum of 30 semester credit hours each academic year.
3. Continuous enrollment each fall and spring during the term of the plan. Summer enrollment is not required but credits completed during the summer can be used toward the minimum credits required for the selected eligible major. Any other interruptions of attendance, with the exception of participation in a University sponsored cooperative employment/learning experience, may result in disqualification from the plan.
4. Remain in good academic standing each semester during the term of the four-year agreement.

Fixed Tuition Rate and Term

The 2025-2026 Transfer Student Fixed Four-Year Tuition Plan provides the eligible student with a fixed tuition rate through four consecutive academic years beginning in Fall 2025 and remaining in effect through Summer 2029 contingent upon continuing student eligibility and plan participation. The guaranteed fixed tuition rate for your degree program for the Fall 2025 and the applicable summer rate can be found in the following chart.
